

Helmsdale Fishing boats in Portmahomack harbour about 1947
From a Postcard

I was speaking to Hamish MacKay and he named nearly every boat in the harbour.

Small boat in corner of harbour he does not know.

Then the 3 big boats from harbour wall are Jeanie MacKay, Home Cliffe and Myosotis.

Next 2 boats up harbour from harbour wall are Girlanne and Harvest Moon.

Then next boat up harbour towards the land is from Harbour wall Provide and the small boat alongside it could be the Revival.
